Roxy's is not a catering company and catering may not always be available. 2-5 Days minimum advance notice required depending on location. Send an email to the specific location you plan to pick up from.

Food is packed in Aluminum Foil Half-Pans and served Family-Style. Utensils, plates, and serving utensils are not included. Use caution when transporting because our food is packed with extra flavor and sauce.

All Caterings are not confirmed until a Roxy's Representative contacts you and payment is made. Prices are for Pick Up only and are subject to change due to market price. Caterings are non-refundable and all sales are final. We reserve the right to refuse service. An 18% gratuity will be added for our hard-working Crew to finalize catering orders.

Mahalo for thinking of us!
